

Books Of The Bible – New Testament

Ways to prepare a set of "Books Of The Bible?" cards:

- 1 – Write the book title on one side of a file card and information about the book on the other side. Include the book number. Suggestion: laminate the cards.

- 2 – Download the ready-to-print pages below. Use 24 lb. or 28 lb., 8-1/2 x 11, paper and *print on both sides, starting with page 2* (flip pages on short edge). Cut out the cards. This makes two sets of New Testament cards. Suggestion: laminate the cards.

The cards can be used several ways:

- 1 – Spread a set of cards title (book name) side up. Students work individually or in small groups to put the books in biblical order. With numbers on the back, the activity is self-correcting.
- 2 – Use both sets of cards, one set with the title side up and the other set with the information side up. Mix and match. The activity is self-correcting.
- 3 – Play a "Books of the New Testament" game. Shuffle both sets of New Testament cards and stack them title side up. Players take turns drawing the top card, reading the title, and guessing what kind of book it is (Gospel, History, etc.) If they guess correctly, they keep the card. If not, the other player(s) guess. If no one guesses correctly, show everyone the answer on the back of the card and return it to the bottom of the pile. At the end, the player who has collected the most cards wins. Combine Old and New Testament cards to play this game for the entire Bible. Make the game more challenging by also telling the number of the book and/or the number of chapters it has!
- 4 – Spread a few selected cards, title side up. Have students write down anything they know about the books: (1) Key people; (2) Key events; (3) A main message, etc. Take time to discuss their answers and give additional information about the books.
